RideAThon

Information Sheet

Empowerment Ranch will be holding its second annual Ride-A-Thon at Bayard Conservation Area (East of US 17, South of SR 16) on Saturday February 24, 2018. Sign in / Registration 9:00 AM - 11:30 AM

Our Mission: *Empowering you to be better than you are today.*

At Empowerment Ranch we focus on using nature and horse therapy to empower people to achieve their full potential. Catering to those with and without special needs.

One of our programs at the ranch is focused on bridging the gap between our special needs individuals and others. Through the ranch we pair special needs individuals with those who do not have special needs and focus on building those bonds through group activities such as Camping, Swimming, Kayaking, Trail Rides, Arts & Crafts etc.

All of the animals used in our different programs are rescued animals as we believe that these wonderful animals also deserve a chance to be the best that they can be.

Funds raised from this event will go to Empowerment Ranch, to cover the following:

- Animal Rescue & Maintenance
- Building/Repairing Fencing
- Reseeding Pastures
- Equine Equipment
- Wheelchair Ramp
- Rider Sponsorships
- Storage Sheds

Riders who secure \$100 in pledges, will receive a RideAThon TShirt (to be mailed out the month following the ride in order to ensure that we order the correct sizes).

We thank you for your support of our organization and this upcoming event!

To sponsor a rider online please visit our website <http://empowermentranch.com/ride-a-thon/> and click on the Pledge button. Enter the riders name in the space provided.

Please make checks payable to Empowerment Ranch. If you have any questions please phone Lynn at 904.713.7391 or email us at empowermentranchjax@gmail.com.
